

Lava Jazz is, first of all, a show room.

For this reason, we ask all our clients to speak on a lower tone during the performances.

We also provide breaks in between shows for everyone to mingle and speak freely.

We are aware that it is a different "bar" concept!

"As long as music is playing, the only sound allowed is the one of your feelings! (Sonasfly)"

RESTRICTIONS ON SALE AND CONSUMPTION OF ALCOHOLIC BEVERAGES

“PUBLIC PLACES OR PLACES OPEN TO THE PUBLIC:

It is forbidden to make available, provide or sell in public places and in places open to the public, regardless of commercial purposes, alcoholic beverages:

- a) Minors;
- b) Anyone who is known to be drunk or appears to have a psychic abnormality.

The persons referred to in the previous paragraph are prohibited from drinking alcoholic beverages in places open to the public and in public places, namely on public roads.

Regional Legislative Decree no. 10/2018 / A, of 28 August

The full regulatory notice, is available at the entrance of
the house and inside the bar.

Any questions, we are happy to help.
